

# LIMITED 3 YEAR WARRANTY

## *OUTDOOR FIRE TABLES*

Stoll Industries hereby warrants this product to be free from defects in materials and/or workmanship, for the period of time and under the conditions described in each section below, subject to the limitations listed below (*see section 2*).

### 1. Limited Warranties

Stoll Industries warrants the metal/aluminum materials and the applied finish of this product, to be free from defects in materials and/or workmanship, for a period of three (3) years, subject to the limitations outlined below (*see section 2*).

### 2. Limitations

**2a.** The repair or replacement of parts, or the performance of service under this warranty, does not extend the life of this warranty beyond its original expiration date.

**2b.** This warranty is non-transferable and is offered exclusively for the benefit of the original purchaser, beginning on the original date of retail sale.

**2c.** Stoll Industries does not warrant this product against the following:

1. Damage occurring during transportation or installation, or damage resulting from improper installation.
2. Damage/breaking of the mounting tabs due to incorrect installation, or bending the tab multiple times.
3. Discoloration of finish or distortion of metal parts due to high heat, without the proper use of a wind shield.
4. Damage as a result of accident, alteration, abuse, or mis-use.
5. Scratches and damage from normal wear and tear.
6. Damages from not following the Care & Maintenance Instructions.

**2d.** Color finishes may vary slightly in shade and are not guaranteed to perfectly match or coordinate. Color changes and variations may occur from direct exposure to sunlight and the elements. Extreme variation in finishes may be re-finished solely at Stoll Industries option and discretion.

**2e.** Stoll Industries is not responsible for any additional charges that may occur during the warranty process, nor are they responsible for any travel, labor, or installation expenses.

### 3. Warranty Process

**3a.** If, during the given warranty periods, a product covered under this warranty proves to be defective in material or workmanship, a claim for warranty service should be made through your authorized Stoll Industries Dealer. Proof of purchase will be required. The authorized dealer will contact Stoll Industries to procure replacement parts and/or if additional service is deemed necessary. Stoll Industries reserves the right to choose at its option, the best method of repair or replacement, for any warranted part or product.

**3b.** If you purchased a burner through Stoll Industries, it is warranted by Firegear Outdoors. Stainless steel burners and pans are covered by a lifetime warranty, and additional components such as gas valves are covered by a 5 year warranty. Please contact Firegear Outdoors for any issues or warranty claims related to these products, and not Stoll Industries.

# CARE AND MAINTENANCE

## *OUTDOOR FIRE TABLES*

To ensure a lifetime of use, and extend the longevity and beauty of your product, we recommend regular care and cleaning of your Stoll Fire Table.

Routine cleaning can be accomplished by rinsing away dirt and debris, and then gently wiping with a damp, non-abrasive cloth or sponge using warm water. Towel drying will help prevent water spotting. If additional cleaning is necessary, mild household cleaners can be used. The use of solvents or abrasive cleaners may damage the product's finish, always test any cleaning solution in an inconspicuous area before applying to the entire product.

It is recommended to wax your Fire Table at least once a year to help protect the finish against wear and fading. Any common car wax can be used.

Storing objects on the surface for extended periods of time may trap moisture and debris, and discolor or damage the finish.

Appliance and stainless steel cleaning solvents should never come in contact with your outdoor kitchen surface.

Light or superficial scratches to the finish are likely to occur during normal use and do not affect the integrity of the product. Using your countertop surface as a cutting board for food, or sliding items such as utensils and abrasive or ceramic items across the surface may also cause wear and tear. This type of finish wear is considered normal, and is not covered under warranty.
