

Shelf Ladder

Assembly & Installation

Thank You!

Thank you for purchasing a Stoll Shelf Ladder! We are confident this quality product will last you for years to come. If you need further help or additional information regarding installation, please reach out to your local dealer for assistance.

Parts & Materials

Self-tapping screws: 25

2.5" Wood Screws: 10

Photos of Completed Products

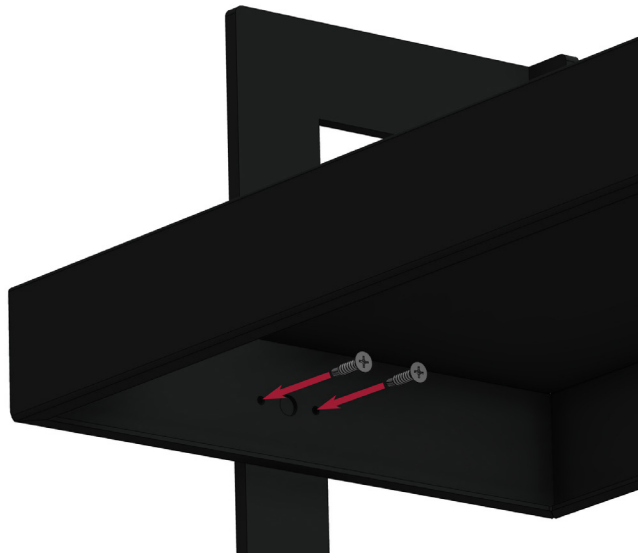

We would love to see pictures of your finished and installed project! Please send images to photos@stollindustries.com. High quality images will likely be featured on our social media or website!

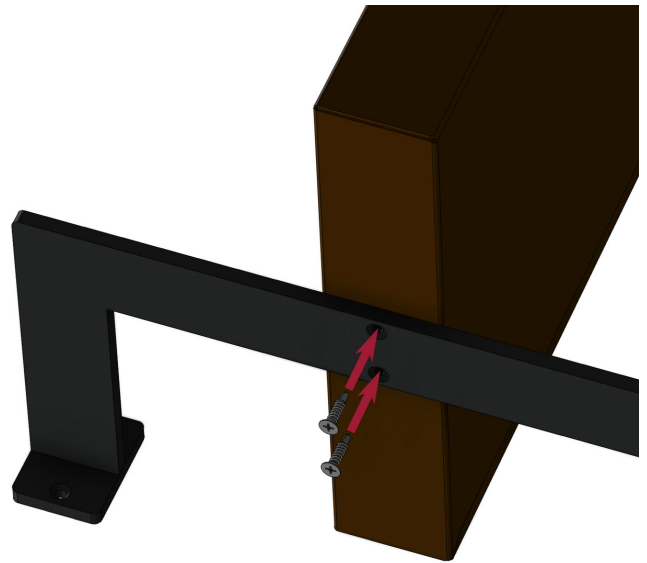

Assembly

Full kit with metal shelves: Attach each shelf to the brackets using two (2) of the included self-tapping screws on each side. Fasten the screws through the laser cut holes inside of the shelf into the bracket as shown below.

Brackets with 3rd party wooden shelves: Attach each shelf to the brackets using the appropriate screw/fastener for your specific shelf. Ensure that the shelves do not protrude deeper than the mounting plates to allow the mounting bracket to lay flat against the wall. *Tip: Placing the brackets and shelves on the floor or another flat surface during this process will align the shelves at the correct depth to lay flush against the wall.*

Metal Shelves

Wooden Shelves

Installation

Using the appropriate fasteners for your specific wall/surface, fasten the assembled shelf ladder to the wall in your desired location.

Tip: If possible, mount brackets into wall studs for extra stability. If this is not possible, please use the appropriate anchors for your application.

Enjoy!

Enjoy your assembled shelf ladder!

Warranty & Care

Your Stoll Shelf is covered by a 5 year limited warranty. For more information, please visit www.stollindustries.com/resources. All warranty claims must be placed through your local dealer.

Your Stoll product can be cleaned using a damp cloth, or mild household cleaner. To avoid damage to the finish, cleaners containing ammonia or other harsh chemicals should be avoided.

WARNING

This product can expose you to chemicals including Carbon Black, which is known to the state of California to cause Cancer. For more information go to www.P65Warnings.ca.gov
