brought to you by The Stoll Kitchen

Salad Ingredients

- 1 head lettuce, chopped
- 8 slices bacon, fried and chopped
- 2 hard-boiled eggs, chopped
- 1 c. shredded cheese
- 2 c. croutons
- 1 pt. cherry tomatoes, diced

Dressing Ingredients

- ½ c. sugar
- 1 tsp. mustard
- 1 Tbsp. vinegar
- 1 Tbsp. milk
- 1 c. mayonnaise

Place all salad ingredients in a large serving bowl and mix to an even consistency.

Whisk together all dressing ingredients until evenly blended. Refrigerate the dressing mixture until you are ready to serve the salad. It can be served at room temperature or chilled.

Before serving, pour the dressing mixture over the salad until it is evenly coated. If you prefer a lighter glaze, you can also leave any excess on the side for those who like a little extra dressing on their leafy greens. Serves approximately 10.
